Michael KI5RXG

**JUNE IS PIZZA PARTY!!**

We will be discussing Field Day plans.

**Bring your 2 meter H/T !**

Quick tips and tricks on how to attenuate signals using just you and your H/T.

## FIELD DAY – June 25th and 26th

TARC will operate on Saturday June 25th from Noon to sunset. We will be setting up in the empty lot just south of our meeting place, Western Hills Church of Christ. This location will provide TARC some exposure to the public.

At this time TARC plans to operate a single Class A station.

There will be drinks on hand but feel free to bring you own non alcoholic beverage.

There will not be a meal provided. So bring any snacks you may want. Several fast food restaurants are in the area.

TARC will set up canopies and have a couple of tables and some chairs. Feel free to bring your own lawn or camp chair.

More information will be forthcoming at the club meeting, Monday night nets, Facebook page and email.
