Special Event Station

The Annual 13 Colonies Special Event 2025, a popular summer operating event, begins July 1, from 9:00 AM to July 7, midnight Eastern Daylight Time. This year, one station will be operating in each of the 13 original British colonies, K2A – K2M, along with three bonus stations — WM3PEN, Philadelphia: GB13COL, England, and TM13COL, France — each representing their city, state, or country's role in America's colonial period. Amateur radio operators and SWLs can participate in the event. Complete information about the call for each colony station and the bonus stations can be found on the [event website](#) or on Facebook at 13 Colonies Special Event Community.
